# WHY US

## You should definitely know WHY US

The most prestigious thing for any individual on this planet is MEMORIES.

In this fast-Paced life, you need a break where you spend your time with your loved ones. And indeed, Vacation is the best way to unite and create a perfect memory. Memories are priceless and we understand your value and sentiments attached to it. We take this job seriously and religiously, with an obvious reason that you are not going to get this time back. It's a huge responsibility and trust that you are about to give to some company before you begin with.

Airfare + Visa+ Hotels + Transfers + Attractions + Meals + Tour Managers / Guides = Complete Vacation. None of the tour companies in the world own any of the above divisions, and still proudly claim that it's their organized tours by adding their terms and conditions with restrictions. All companies around the globe just sell their expertise of knowledge and partner connections across the globe.

The most crucial part of a perfect vacation is Planning with time management. Selecting the best attractions with best tour guides. Providing neat clean city centre hotels along with best in town restaurants for good quality freshly made tasty food. Comfortable daily road travel daily has to be on topmost agenda. Every superb back-office execution and sales hard work boils down to ON TOUR GUEST EXPERIENCE, which is finally and carefully inched towards the finish point by the Tour Guides and The Tour Managers.

## Who can know these things better than anyone else?

Indeed, it's the local tour guides or the tour managers, who have been to the same Continent, Same Country, Same City, Same Restaurants and Same Attractions for 100's of time as their core profession.

So who can plan the best vacations for your upcoming happy memories?

It's the Team of Freelancer Tour Guides and Tour Managers, who have upgraded their career option and chosen to work with us sitting and consulting within our Vacation Dunya offices located in Abu Dhabi, Dubai and Mumbai.

Our Company has a combined team experience of more than 100+ Years along with MBA Operational team for smooth and professional sales and pre departure executions.

Our team in the last 25 years has earned hundreds of thousands of reviews for a bunch of so-called brand companies around the globe, and now we shall WORK MORE HARDER to build our own line of credits.

Thousands of guests who have had our team in their memories, know the honesty of the said above.

Try us once to experience the truth behind WHY US.
